

AGENDA

BUDGET / FINANCES

We have our check from Tom

Speaking of other budgetary items:

- We need to finalize our 501c3 budget and submit our paperwork (Lydia)
- Last meeting we identified sources and dollar amounts
- We just need to make sure it's under 10,000
- 7 pages of checklists, Paige will fill out
- Charitable purpose statement we already have written w/mission statement

MAKE A DIFFERENCE DAY / COMMUNITY CLEAN UP:

- Tyler will ensure pick up points for trash
- Advertising, flyers (Paige, Shalae)
- Get on City's Website
- Need funding for snacks for post clean up
- Need funding for t-shirts? Probably pass since it will eat up budget – we could ask people to wear all the same color, and put stickers on them or something. Not a bumper sticker. We could do name stickers, with a Trolley District logo on them.
- Chris Springer has a sticker machine at his house.
- Lydia will have half class at bathrooms, and half at couch house
- Advertise the potluck
